

Academic Probation Contract

NAME _____ STUDENT # _____

PROGRAM _____ SEMESTER _____

I acknowledge that I failed to meet the criteria of satisfactory academic standing under Cégep Heritage College's Bylaw 5: *Concerning Support for Student Success*, and that I am consequently on academic probation this semester.

I am aware of the resources and services available to me in the College, and acknowledge that it is my responsibility to get the help I need to succeed.

I understand that the Cégep grades on my transcript (obtained in any Cégep or program) are permanent and that I will be suspended from registering at the College if:

- I fail 50% of my registered courses more than once; and/or
- I fail the same course more than twice; and/or
- I do not pass all my registered courses while on probation following a successful appeal.
