the achievement of the Board-approved annual objectives of the Director General.

Said Evaluation Committee, of which the Board Chair is *ex officio* chair and spokesperson, comprises two (2) other members, appointed by the Board from among those Board members who do not form part of the staff or the student body of the College.

Article 3.11.2 of *Heritage Bylaw #1* also stipulates that, in the event of a vacancy in any position other than that of the Committee Chair, the other Committee members will continue the evaluation process. In the case of a vacancy in the position of Board Chair, the terms of article 3.7.1 of *Heritage Bylaw #1* apply. When that vacancy has been filled, the new appointee fills the corresponding vacancy on the Evaluation Committee. If more than one vacancy occurs, however, the Board shall appoint, as soon as possible, replacements who will take office until the end of the mandate of the current Committee.

Quorum for the Evaluation Committee shall be one half plus one of the total number of committee members in office. The general quorum provisions notwithstanding, in each case, quorum must include the Committee Chair.

The Evaluation Committee shall meet (*in camera*) as often as required during the year. This will include a mid-term meeting in order to provide the Director General with an interim assessment of the achievement of the Board-approved annual objectives. The Director General will be invited to attend these meetings in order to clarify issues or to receive feedback.

The Committee shall evaluate the incumbent's achievement of the Board-approved annual objectives set by the

Director General at the beginning of the academic year and accepted by the Board. This evaluation is to be done in accordance with processes outlined in *Appendix #P4.1*. The Evaluation Committee shall take into consideration the incumbent's self-evaluation.

The Chair of the Evaluation Committee shall meet with the Director General to communicate the results of the evaluation, and to make recommendations, if applicable.

The Committee Chair shall inform the Board that the evaluation process was duly followed and that the Director General has been presented with the results.

The report of the Evaluation Committee is then filed with Human Resources, in a sealed envelope in the Director General's personnel file.

The Chair of the Board will sign all documents pertaining to the Director General's performance bonus letter, if applicable.

### **3.6.2 Yearly Evaluation of the Achievement of the Academic Dean**

The objective of the yearly evaluation of the achievement of the Academic Dean is to assess the incumbent's achievement of the annual objectives approved by the Director General from an annual perspective and an overall perspective for the duration of the incumbent's mandate.

The evaluation of the Academic Dean is conducted by the Director General. The Director General shall evaluate the incumbent's achievement of the approved annual objectives. ### **3.7 Mandate Renewal**

The Board shall initiate the mandate renewal procedures for the Director General or the Academic Dean at least six (6) months prior to the expiration of the incumbent's mandate.

The Board shall form a three-member Renewal Committee, which will include the Board Chair as *ex officio* Committee Chair, and two other Board members who do not form part of the staff or the student body of the College. In the case of the Director General's mandate renewal, the Evaluation Committee established pursuant to article 3.6.1 of the present policy may serve as the Renewal Committee.

The Board shall give notice, in writing, to the Director General or Academic Dean at least thirty (30) calendar days before initiating the procedures for renewal or non-renewal of the incumbent's mandate, that is, at least seven (7) months prior to the expiry of the incumbent's mandate.

The Board Chair must receive notice, in writing, of the incumbent's request for renewal of mandate within the thirty (30) calendar days stipulated in the first paragraph of this article, that is, no later than six (6) months prior to the expiry of the incumbent's mandate.

Failure on the part of the incumbent to provide such notice shall be deemed to be a decision not to seek a renewal of mandate.

The Renewal Committee shall establish a mandate renewal process which must be approved by the Executive Committee.

Pursuant to article 4.1 of *Heritage Bylaw #1*, the Board shall consult the Academic Senate prior to making its decision to renew or not to renew the mandate of the Director General or the Academic Dean.

The incumbent shall be informed, in writing, of the Board's decision to renew or not to renew the mandate at least three (3) months prior to the expiration of the mandate. Only external Board members may vote on the renewal of the mandate of the Director General or the Academic Dean.

If the Board decides not to renew the mandate of the Director General or the Academic Dean, the Board shall so notify the incumbent at least forty-five (45) days prior to the expiration of the mandate, of the Board's intention to maintain or not to maintain the incumbent's employment by the College.

## **Appendix #P4.1—Evaluation of the Achievement of the Director General**

### **Preamble:**

The Board of Governors of Cégep Heritage College is required by regulation to carry out a yearly evaluation of the Director General's achievement of the objectives approved by the Board for each academic year. Foremost, this evaluation aims at providing the Director General with useful information to include as part of a learning process in the role of CEO. This approach recognizes that learning from past experience and feedback are an integral part of a recognized pedagogical approach. Related to this evaluation, among other elements, is the determination of the level of the performance bonus (if applicable) to be awarded to the Director General at the end of each year.

### **Principles:**

It is of utmost importance that the members of the Director General Evaluation Committee are clear on the objectives and the principles guiding this operation:

1. The Board of Governors has appointed an individual to the position of Director General or has renewed the incumbent's contract. It is thus an accepted fact that this individual possesses the necessary qualities, abilities, knowledge and experience to occupy that position. Consequently, these elements have been established and are not objects to be evaluated.
2. The Director General's Board-approved annual objectives are the basis for the evaluation process.
3. The role of the Committee is to evaluate the level of achievement attained in a given academic year with respect to the aforementioned goals and objectives, the quality of that achievement or the reason(s) for the inability to achieve said objectives, when this is the case.
4. When needed, the Committee must assist the Director General with concrete suggestions to facilitate the achievement of said objectives.
5. In accordance with article **3.6.1** of the present policy, the Committee must report to the Board that the evaluation was conducted as required and that the Director General has acknowledged the results.

### **Process:**

- Every January, the Evaluation Committee convenes a first meeting to review its mandate, agrees on a timetable and requests, for February, a mid-term report from the Director General;
- Every February, the Committee receives the Director General's mid-term report. This report should identify the state of achievement of the Board-approved objectives of the current academic year. It should also describe any significant event that has contributed to the achievement or non-achievement of the objectives;
- At a minimum, the mid-term report must contain the following elements: a list of the Board-approved objectives for the current academic year, a brief description of the state of achievement of each of the objectives, comments on the process of achievement for each objective, and any other element pertinent to the achievement of the objectives which would assist the Committee with its evaluation mandate;
- By the end of February of each year, the Committee meets to discuss the Director General's mid-term report and to receive, if need be, additional comments from the Director General related to the report;
- Subsequently, the Committee completes the attached form (Appendix #P4.2);

---

## **CÉGEP Heritage College Policy #4 concerning the Appointment, Evaluation and Renewal of the Mandates of the Director General and the Academic Dean**

---

- When the form has been completed, the Chair of the Committee meets with the Director General to review its contents.
- By mid-March of each year, the Committee establishes dates for the year-end evaluation, which must be completed by the end of the academic year;
- The Committee also establishes the date for the review of the Director General's objectives for the following year, with a view to having these objectives approved by the Board of Governors at its regular September meeting.

### **Conclusion:**

The yearly evaluation of the Director General of Cégep Heritage College is a very important task for the Board in its support to the management of the institution. A prime requirement for the success of the evaluation process is that it is achieved in a climate of mutual respect and trust. It must be a rewarding process for all parties.
