## Heritage College Soccer Teams Division Champs!

Heritage College Director General, Claude J. Chénier, is very pleased to announce that both the men's and women's intercollegiate AA soccer teams have won their division championships.

The two teams played eight matches, winning seven and tying once. "The men's team was in its second season and it was the women's team's first season on the intercollegiate circuit. What a remarkable success!" said Mr. Chénier. The women's soccer team also brought home the Sports Ethics banner, which is awarded by the division teams themselves. "All of this success can be attributed to the consistent efforts of these young people and the passion exhibited by their skilled coaches. Because these coaches come from within the education system, however, studies remain the priority," added Mr. Chénier.
