## **Heritage Science Student excels in Chem 13 News Exam**

Congratulations to Science student Patricia Sandhu, who is being honoured by the University of Waterloo for her outstanding performance in Chemistry on the Chem 13 News Exam.

The Chem 13 News Exam bears the name of a publication for chemistry teachers which is prepared at, and distributed by, the University of Waterloo. It recognizes achievement in Chemistry and awards top students with research assistantships.

This fall, Patricia will be awarded a certificate from the University of Waterloo in recognition of her exceptional achievement.
