Community Leadership Award goes to Heritage Graduate

On October 23, at the 2009 West Quebecers Community Awards Banquet held at the Aydelu Centre in the Aylmer sector of Gatineau, Heritage College 2008 graduate, Ashley Latour, received the Community Leadership Award for Youth. This award is given annually by the Regional Association of West Quebecers (RAWQ) and “recognizes leadership, ... improving understanding, opportunity, growth, advancement, and/or experience for youth.”

While maintaining excellent grades in the Liberal Arts program at Heritage, Ashley served as President of the Drama Club and acted in or directed three productions—The Blue Room, Office Hours, and the Glass Menagerie.

Every year at its Community Awards Banquet, RAWQ celebrates the “spirit of volunteerism” and honours deserving members of the English-speaking community of the Outaouais for their outstanding contributions.
