Subject: Procedures relating to Facilities Use and Rental

Administrator: Director of Building Services

**Issuing
Service:** Building Services

**Coming
into Force:** April 25, 2006

Revised: January 10, 2012

Purpose

The purpose of this document is to provide standard procedures for the use and rental of Cégep Heritage College facilities.

Application

These procedures apply to any individuals or groups wishing to use or rent Cégep Heritage College facilities¹.

Procedures

1) Use/Rental Application and Process

Under normal circumstances, applicants must complete and submit the appropriate application form to Building Services at least ten (10) working days prior to the planned activity. Forms may be obtained from Building Services (Rm. 111F).

The Director of Building Services, or a delegate, will decide, within three (3) working days, on the approval of an application. The user/renter will be notified of the decision by the College. In order to retain the booking the user/renter must sign and return the approved application to Building Services, along with any applicable fees and deposits², within two (2) working days after receiving notification of approval.

¹ Also see *Cégep Heritage College Policy #29 concerning Facilities Use and Rental*; as well as *Reference Document #P29.1, Facilities Use and Rental—User Categories*; *Reference Document #29.2, Facilities Rental Fee Schedule*, and *Reference Document #29.3, A-V Equipment Rental Rates*.

² See Reference Document #P29.2 for more details about fees and required deposits.

Cégep Heritage College Procedure #13 relating to Facilities Use and Rental

Under normal circumstances, in the case of a rental activity, a 50% deposit of the total of all rental-related fees must be paid upon the signing of a rental agreement; however, if the rental activity is to be held less than ten (10) working days after the signing date, a 100% deposit of the total of all rental-related fees is required.

2) Smoking and Serving of Alcohol on College Premises

Smoking and the sale of tobacco are prohibited within the boundaries of the car circulation area outside the College building. Smoking may take place beyond the beltway surrounding the College building. The user/renter shall be responsible for enforcing this regulation³.

Users/Renters planning to serve alcoholic beverages must obtain the appropriate alcohol permit and must supply Building Services with a copy of said permit prior to the beginning of the activity. The following requirements apply:

- Alcohol Liability Insurance in an amount not less than two million dollars must be obtained, with Cégep Heritage College named as an additional insured; and
- a Liquor License must be obtained from *la Régie des alcools du Québec*, said license to be displayed by the user/renter where alcohol is served.

3) Custodial Staff/Security Guards

Custodial staff and security guards are on duty for the care and protection of College property; they are not supervisors of an activity in progress.

When alcoholic beverages are served, the use/rental agreement must include security guard and maintenance staff services.

Rentals or room bookings that will be using any equipment from the Hotel Management room will require the hiring of students from that program to supervise and clean the equipment after usage. Any broken equipment will be charged to the renters.

4) Cancellation of Use/Rental Agreements

4.1) User/Renter-Initiated Cancellations

The user/renter must advise the College, in writing, of any cancellation, at least five (5) working days prior to the beginning of the intended activity. This written cancellation must include the signature of the user/renter.

³ See *Cégep Heritage College Policy #21 concerning Protection Against Tobacco Smoke* for more details.

Cégep Heritage College Procedure #13 relating to Facilities Use and Rental

After a rental agreement has been signed, an additional cancellation fee will be charged in the event of a renter-initiated cancellation. (See *Reference Document #P29.2 Facilities Use and Rental—Fee Schedule*).

No reimbursement will be made if a user/renter-initiated cancellation occurs after the specified 5-working-day deadline.

4.2) Cancellations due to Inclement Weather or Emergencies

Use/rental agreements shall be void during days when the College is closed due to inclement weather or in the event of an emergency.

4.3) Reimbursement/Rescheduling

Applications for reimbursement or rescheduling of any College-initiated cancellations must be submitted within the 12-month period following the cancellation date. Rescheduling will be undertaken at no additional cost to the user/renter.

5) Parking

For parking fees, see *Reference Document #P29.2, Facilities Use and Rental Fee Schedule*.

The College does not assume responsibility for accidents, damages or theft with respect to any vehicles on its property. Furthermore, the College is not responsible for parking violation fines issued by the City of Gatineau.

Revision

These procedures will be reviewed at least every five (5) years by the Director of Building Services, and revised as required.
