Nomination Form

THE ENVIRONMENT PROTECTION SCHOLARSHIP

There is an ever-increasing need to protect the environment on which all life depends, for both present and future generations. The purpose of the Environmental Protection Scholarship is to encourage and support the interest of one Heritage College student each year to make a long-term commitment, through enrollment in a university environmental studies program, to learning about what an individual can do to protect our planet and its inhabitants from the threats of environmental degradation. The value of the award is five hundred dollars. (\$500.00)

WHO CAN NOMINATE?

Nominations may be made by:

- Heritage College faculty and/or staff members
- Heritage College students
- Oneself
- Members of the community

CRITERIA FOR THE SCHOLARSHIP

The scholarship will be awarded each year to the graduate who:

- has demonstrated interest in and commitment to environmental protection,
- is of noteworthy academic performance, and
- has been accepted to and is registered in the Environmental Studies program of a recognized college or university.
